After more than two years of community input and negotiation with residents, stakeholders, local businesses, elected officials, and the non-profit developer the Lincoln Square community is ready to move this project forward but the Mayor is threatening to cancel the project.

What is
"Affordable"?

Example: A family of 2 making \$60,000 would pay \$1,350 for a 1 bedroom apartment

New Modern 100% Affordable Apartments

Federal, state, and local laws place restrictions on the income of households assisted through various Department of Housing (DOH) programs. The maximum income level for DOH programs varies, according to the policies and regulations that guide each program. This project include studios & 1-bedroom units available for those making minimum wage to \$60,000 per year. 2-bedroom units available for those making minimum wage to \$75,000 per year.
